### PROBLEM STATEMENT

According to Wikipedia, “a mandala is a spiritual and ritual symbol in Hinduism and Buddhism, representing the universe, [although] in common use, ‘mandala’ has become a generic term for any diagram, chart or geometric pattern that represents the cosmos metaphysically or symbolically; a microcosm of the universe.”

I was tasked with creating and animating my own mandala that represents me in my New Media Animation course. I needed to find an overall style with symbols and shapes that represent me without being too literal.

### PROJECT GOALS

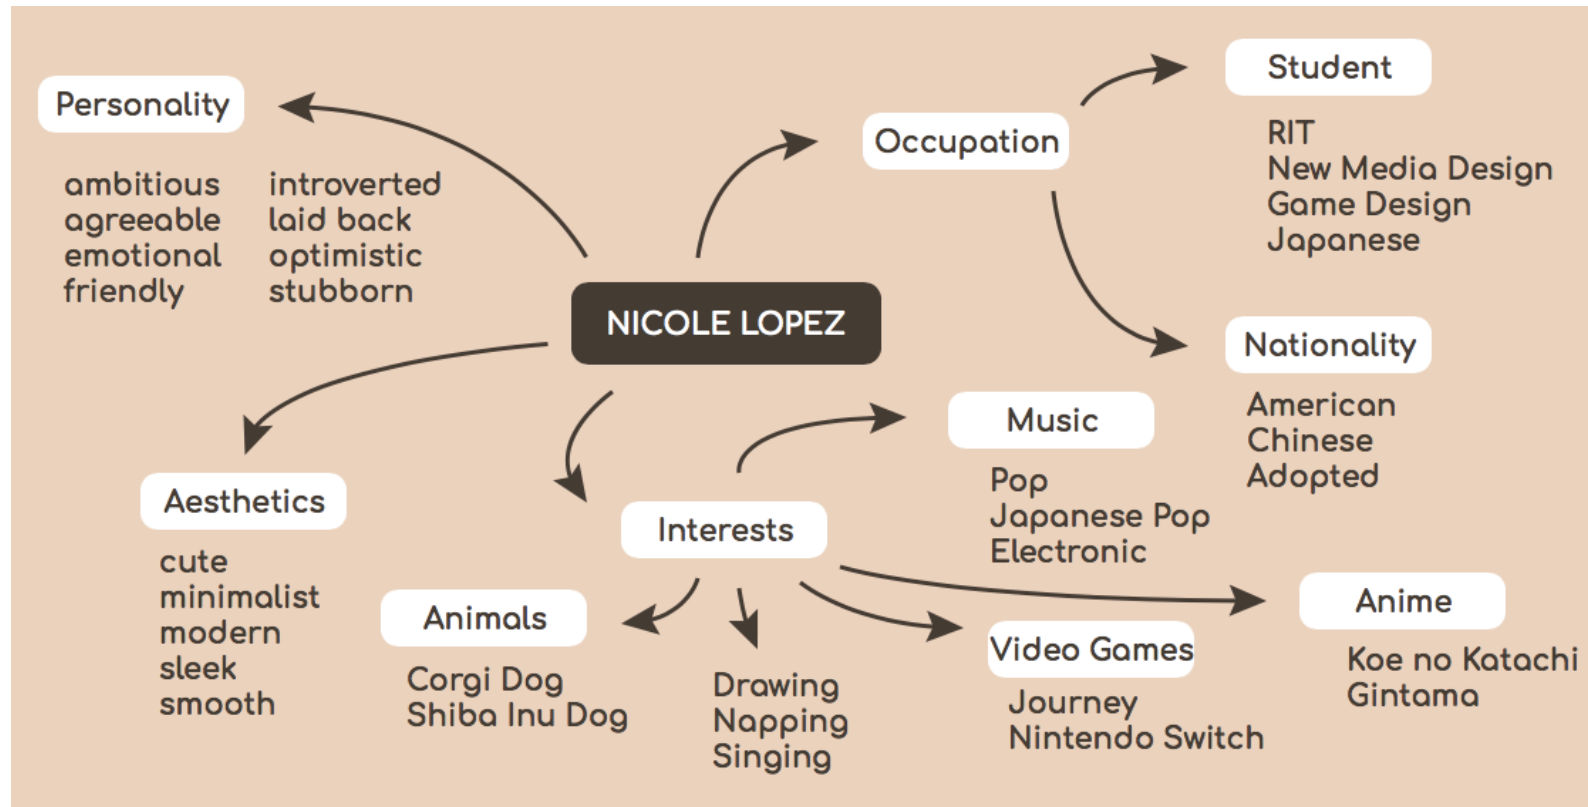

Animate a mandala that represents and symbolizes me as a person.
